

**ELITE SERIES**  
TOP MOUNT REFRIGERATORS AND FREEZERS

# VICTORY ELITE®

Refrigerators and freezers with a solid set of features for an excellent value.

This new addition to the Victory lineup of top mounted coolers bridges the often overlooked gap between the commodity and high-end units on the market.

Packing high performance cooling power, numerous key features, and an attractive, modern appearance, the Elite Series is a very appealing option at a great price-point.

The end users will certainly appreciate what is offered in the Elite series, as consultants can now specify these exceptional units.

*“The Victory Elite line was the perfect cooling and style while staying*

Victory Elite® available in refrigerator and freezer models, with solid or glass doors, in full or half door configuration.
